The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Town of Beekmantown to construct a new public drinking water well and transmission line in fiscal year 2023.

The entity to receive funding for this project is the Town of Beekmantown, located at 571 Spellman Road, West Chazy, New York, 12992. The funding would be used to construct a new public drinking water well and transmission line to serve a small district of 53 users in Beekmantown, who do not have access to clean drinking water.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elise M. Stefanik
Member of Congress
