Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Town of Poestenkill Water District #2 - Response to Elevated PFAS Levels in the Well Water Supply Project in fiscal year 2024.

The entity to receive funding for this project is the Town of Poestenkill located at 38 Davis Drive, Poestenkill, NY, 12140. The funding would be used to create a new water district in Poestenkill. The project is an appropriate use of taxpayer funds because the proposed extension will address the immediate need to protect the health and safety of more than 670 students, school staff and hundreds of residents in the surrounding area. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
