The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee

Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Town of Massena, NY, Water District Development Project in fiscal year 2024.

The entity to receive funding for this project is the Town of Massena located at 60 Main Street, Massena, NY, 13662. The funding would be used to connect the existing water district and use the existing Village infrastructure to receive water. The project is an appropriate use of taxpayer funds because it will provide public water service to residents in the Town of Massena who are currently served by inadequate or failing well systems. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
