Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Design of the Bridge Street Bridge Replacement project in fiscal year 2024. The entity to receive funding for this project is Schoharie County, located at 284 Main Street, Schoharie, NY 12157. The funding would be used for the design of the replacement for a 100-year-old bridge that is essential for the community. The project is an appropriate use of taxpayer funds because it will begin steps for replacement of a bridge that has been designated as structurally and functionally obsolete and serves as the primary route for emergency services, flood evacuation, commuters, farmers, and more.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
