The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Village of Herkimer Bellinger Brook Mitigation project in fiscal year 2024. The entity to receive funding for this project is the Village of Herkimer, located at 120 Green Street, Herkimer, NY 13350. The funding would be used for the replacement of bridges at West German Street and Church Street. The project is an appropriate use of taxpayer funds because it will help lessen or eliminate flooding in the Village, replacing the existing culvert structure which shows advanced deterioration and poor hydraulic performance which causes regular flooding in the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik  
Member of Congress
