The Honorable Richard Shelby
Vice Chairman
Senate Committee on Appropriations
Washington, DC 20515

Dear Chairman Leahy and Vice Chairman Shelby:

I am submitting a letter of support for the congressionally directed spending request for the Town of Brunswick Van Derheyden Reservoir Dam Project in Fiscal Year 2023.

The entity to receive funding for this project is the Town of Brunswick, located at 336 Town Office Road, Troy, New York 12180. This funding will be used for the rehabilitation of the Van Derheyden Dam to address deficiencies of the existing structure and eliminate the potential hazards caused should there be a dam failure or breach.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elise M. Stefanik
Member of Congress
