Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Town of Lowville, NY, Water District Expansion Project in fiscal year 2024.

The entity to receive funding for this project is the Town of Lowville located at 5535 Bostwick Street, Lowville, NY, 13367. The funding would be used to expand the municipal water supply by approximately 20 miles. The project is an appropriate use of taxpayer funds because it will improve the Town's drinking water quality and expand it to more residents. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
