Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Phase 2 of the East Branch Ausable River Restoration Plan in fiscal year 2023.

The entity to receive funding for this project is the Ausable River Association, located at 1181 Haselton Road PO Box 8, Wilmington, New York. The funding would be used to complete natural stream restoration sites on the East Branch Ausable River and facilitate the design and engineering of additional stream restoration sites to build natural flood resilience, improve water quality, and support the river ecosystem.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elise M. Stefanik
Member of Congress
