Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Rouses Point, NY, Water Treatment Plant Improvements Project in fiscal year 2024.

The entity to receive funding for this project is the Village of Rouses Point located at 139 Lake Street, Rouses Point, NY, 12979. The funding would be used replace the 50 year old water treatment plant which requires near constant operator attention and limits drinking water quality. The project is an appropriate use of taxpayer funds because it will improve the Village's drinking water quality. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik  
Member of Congress
