Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Town of Bolton Wastewater Infrastructure Improvements Project in fiscal year 2024.

The entity to receive funding for this project is Town of Bolton located at 4949 Lake Shore Drive, Bolton Landing, NY, 12814. The funding would be used to upgrade its wastewater treatment system. The project is an appropriate use of taxpayer funds because it will ensure the environmental protection of the Adirondack Park, one of the largest holdings of private and publicly protected natural lands in the United States through ensuring clean surface and ground water- unpolluted by sewage from failing sewer infrastructure. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
