The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Village of Port Leyden, NY, Drinking Water in fiscal year 2025. The entity to receive funding for this project is the Village of Port Leyden, located at 3387 Douglas Street Port Leyden, NY, 13433. The funding would replace the severely deteriorated water mains.

The project is an appropriate use of taxpayer funds because the current condition of the water system presents a public health and safety risk to system users and this project will ensure the Village can provide reliable and quality drinking water to system users. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik  
Member of Congress
