The Honorable Kay Granger
Ranking Member
House Appropriations Committee

Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding to replace a failing lead-based paint protection system with a more environmentally friendly zinc-based paint system at the Ogdensburg-Prescott International Bridge in fiscal year 2022.

The entity to receive funding for this project is the Ogdensburg Bridge and Port Authority, located at 1 Bridge Plaza, Ogdensburg, New York 13668

The funding would be used to replace a failing lead-based paint protection system with a more environmentally friendly zinc-based paint system. The modernized system will protect these spans and help avert a potentially significant lead-based threat to the environment. This project will replace the paint on spans 24 through 32 on the Bridge.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elise M. Stefanik
Member of Congress
