Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Lake Luzerne, NY, Drinking Water in fiscal year 2026. The entity to receive funding for this project is the Town of Lake Luzerne, located at 539 Lake Avenue Lake Luzerne, NY, 12846. The funding would rehabilitate the existing water storage tank and replace antiquated water mains within the Lake Luzerne Water District.

The project is an appropriate use of taxpayer funds because the existing public water distribution system causes water users to experience frequent breakages, reduced flow, and low water pressures. This funding would ensure the Town of Lake Luzerne has reliable and clean water. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
