The Honorable Rosa DeLauro

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Richmondville, NY, Wastewater Treatment in fiscal year 2025. The entity to receive funding for this project is the Town of Richmondville, located at 104 Municipal Lane Richmondville, NY, 12149. The funding would provide safe disposal of wastewater as the current system is aging and failing.

The project is an appropriate use of taxpayer funds because the area is seriously impacted by improper management of onsite wastewater systems, many of which are aging and failing. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik  
Member of Congress
