Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Village of Hudson Falls, NY, Drinking Water in fiscal year 2026. The entity to receive funding for this project is the Village of Hudson Falls, located at 220 Main Street Hudson Falls, NY, 12839. The funding would replace the deteriorating water mains.

The project is an appropriate use of taxpayer funds because it ensures the availability of a consistent and adequate supply of drinking water and directly impacts public health and safety. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik  
Member of Congress
