The Honorable Rosa DeLauro

Committee on Appropriations,

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Granville Water Infrastructure Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Granville, located in Granville, NY.

The funding would be used to replace approximately 6,100 feet of aging water mains and support critical upgrades to the North Granville Water District system. The project is an appropriate use of taxpayer funds because it ensures safe and reliable drinking water, addresses deteriorating infrastructure, and supports public health in a rural community that lacks the financial capacity to fully fund required upgrades.

The project has a federal nexus because the funding provided is for purposes authorized by 7 U.S.C. § 1926(a) (USDA Rural Utilities Service – Water and Waste Disposal Programs).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
