Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Preventative Maintenance Pavement from Route 67/Route 10 Ephratah to Johnstown City Line in surface transportation reauthorization legislation.

The project sponsor for this project is NYSDOT and the project is located at between State Route 67, Ephratah, New York 13452 and State Route 67, Johnstown, New York 12095.

The funding is designated for Pavement Renewal on Route 67 from Route 10 in Ephratah to the western Johnstown City Line in the Towns of Ephratah and Johnstown.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: enhancing safety and extending the service life of the facility for at least 10-years.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elise M. Stefanik
