Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Route 28/South Inlet Lake (BIN:1020280), Town of Arietta Hamilton County in surface transportation reauthorization legislation.

The project sponsor for this project is NYSDOT and the project is located at State Route 28, Raquette Lake, New York 13436.

The funding is designated for Replacement of the Route 28 bridge over the South Inlet of Raquette Lake in the Town of Arietta.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: preserving one of the primary corridors in the Adirondack Park, the addition of a multi-use trail and bridge just south of the new bridge will provide access for recreational use.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elise M. Stefanik
