Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Village of Evans Mills, NY, Wastewater Treatment in fiscal year 2026. The entity to receive funding for this project is the Village of Evans Mills, located at 8706 Noble Street Evans Mills, NY, 13637. The funding would replace the deteriorating facility with a new wastewater treatment and disinfection facility.

The project is an appropriate use of taxpayer funds because it ensures the health and protection of the community as the current wastewater facility is in a state of severe deterioration. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
