The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Mayfield Water System Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Mayfield, located in Mayfield, NY.

The funding would be used to replace critical water system infrastructure following catastrophic system failure to restore reliable service. The project is an appropriate use of taxpayer funds because it addresses an urgent public health need, restores essential drinking water service, and prevents future system failures that would impose significant costs on residents.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act (42 U.S.C. §300j-12).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik  
Member of Congress
