Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for North Country Housing Initiative, NY in fiscal year 2026.

The entity to receive funding for this project is the Lake Champlain-Lake George Regional Planning Board, located at 310 Canada St, Lake George, NY, 12845. The funding would be used to increase the supply of workforce housing through community outreach, completion of site-specific pre-development and the construction and rehabilitation of new and existing units. The project is an appropriate use of taxpayer funds because increasing the supply of available affordable housing will support the ability for working families to live in the area while allowing employers and local business to attract and retain workers. The project has a Federal nexus because the funding provided is for purposes described in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
Member of Congress
