The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations,
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

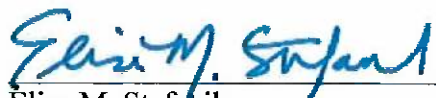

I am requesting funding for the City of Ogdensburg Drinking Water System Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Ogdensburg, located in Ogdensburg, NY.

The funding would be used to rehabilitate water storage tanks, construct a filter piping gallery, upgrade monitoring and control systems, and improve critical infrastructure at treatment and pumping facilities. The project is an appropriate use of taxpayer funds because it replaces aging infrastructure, enhances system reliability, improves water quality monitoring, and ensures compliance with drinking water regulations for over 10,000 residents and essential institutions.

The project has a federal nexus because the funding provided is for purposes authorized by 33 U.S.C. § 1381 et seq. (Clean Water Act – State and Tribal Assistance Grants).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Elise M. Stefanik
