The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations,

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Plattsburgh Police Department Public Safety Infrastructure Modernization Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Plattsburgh Police Department, located in Plattsburgh, New York.

The funding would be used to modernize interoperable radio communications systems, improve climate-controlled evidence storage infrastructure, acquire a regional mobile command center, replace aging patrol and water-rescue vehicles, and establish a regional contaminated crime scene response capability supporting multi-agency coordination across the North Country.

The project is an appropriate use of taxpayer funds because it enhances officer safety, strengthens regional emergency coordination, improves investigative reliability, and expands response capacity serving communities throughout New York's 21st Congressional District.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. § 5305(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

Elise M. Stefanik  
Member of Congress
